INDUSTRY EXPERIENCE

Frontend Developer | Conscious Foundation

Jun 2026 – Present

- Built responsive, accessible web applications using Next.js and Tailwind CSS, ensuring consistent UI across desktop and mobile breakpoints.
- Translated UI/UX designs into scalable, reusable component-based interfaces in close collaboration with designers and backend engineers.
- Integrated REST APIs and optimized rendering performance (lazy loading, code-splitting) to improve page load speed and overall user experience.
- Maintained a shared component library, improving code reuse and cutting new-feature development time across the team.
- Debugged cross-browser and responsiveness issues, ensuring pixel-consistent layouts on all major devices and screen sizes.

Junior Frontend Developer | Noseberry Digitals

Jan 2026 – May 2026

- Developed responsive, cross-browser web interfaces using Next.js and Tailwind CSS for client-facing products.
- Partnered with designers and backend developers to convert UI/UX mockups into functional, production-ready web pages.
- Refactored legacy component code to modern React patterns, improving readability and reducing recurring UI bugs.
- Participated in code reviews and daily stand-ups, contributing to on-time delivery across multiple sprint cycles.

Software Engineer Intern | Outfy

Oct 2025 – Dec 2025

- Built animated marketing video assets using HTML, CSS, and GSAP to support product promotion campaigns.
- Collaborated with design and marketing teams to deliver interactive web animations that improved user engagement.
- Optimized animation performance and file sizes for faster load times across web and social media placements.

PROJECTS

Job Portal Application | MERN Stack

- Developed a full-stack job portal connecting job seekers and employers through a centralized recruitment platform.
- Implemented job posting, search, filtering, and application workflows with secure user authentication.
- Built responsive React interfaces and RESTful Node.js/Express APIs for efficient, scalable data management.

Portfolio Website | Next.js, HTML, CSS, JavaScript

- Built a responsive personal portfolio to showcase projects and skills with an interactive, visually appealing UI.
- Implemented smooth navigation, animations, and fully responsive layouts for a seamless experience across devices.

TECHNICAL SKILLS

Languages: JavaScript, C, C++

Markup & Styling: HTML, CSS

Libraries & Frameworks: React.js, Next.js, Tailwind CSS

Tools: Git, GitHub, VS Code

Operating Systems: Linux, Windows

EDUCATION

Maharishi University of Information Technology, Noida

2022 – 2026

B.Tech in Computer Science | Percentage: 82%

Ram Shrestha Singh College, Bihar Board

2021

Intermediate (XII) | Percentage: 68%

Doon Senior Secondary School, CBSE Board

2019

High School (X) | Percentage: 74%

ACHIEVEMENTS

- Solved 450+ data structures and algorithms problems on LeetCode.
- Built and shipped multiple production-grade responsive web applications using React.js and Next.js.
